### Aroma

Vibrant blackcurrant and ripe mulberry

### Palate

The palate is concentrated with dark fruit flavours of blackberry and blueberry integrated with soft super fine chocolate tannins to provide balance and length of flavour.

### Overview/Production

The Langhorne Creek region, located south of Adelaide, is renowned for producing full-fruited red wines with gentle tannins. The fruit was crushed and fermented at our winery in Pokolbin in March 2007. After fermentation, the wine was matured in small French oak barrels before being bottled in January 2009.
