	Alc	14.3%

Aroma

Lifted passionfruit, gooseberry, kiwi fruit and tropical fruit salad.

Palate

The palate is clean and refreshing with juicy tropical fruit salad, lychee, passionfruit and green melon flavours.

Overview/Production

Selected parcels of ripe grapes were pressed and chilled prior to transportation to our winery in Pokolbin. There the wine was warmed and inoculated with yeast, prior to cold fermentation (14° - 16°C) in stainless steel tanks, a process that preserves natural varietal aromas and flavours. After fermentation the wine was filtered and bottled fresh in May 2010.
