

FIRESTICK

Cabernet Merlot

Region	Orange, NSW	
Vintage	2009	
Colour	Deep red with purple hue	
Tech Data	pH	3.3
	TA	6.2 g/L
	Alc	14.3%

Aroma

Mulberry and blueberry aromas.

Palate

Classic cabernet sauvignon characters of sweet blackberry and currants, which combine with spice and mocha chocolate flavours from the merlot.

Overview/Production

Both cabernet sauvignon and merlot are sourced from the cool climate Orange region, where the vines enjoy gradual ripening, cool to mild temperatures and fertile soils. A portion of each variety has been matured in French oak to add both texture and complexity. The varieties were blended prior to bottling in February 2010.
