	TA	7.2 g/L
	Alc	13.4%

Aroma

Lifted oatmeal and flint green melon.

Palate

The palate is rich and creamy showing refined melon and pineapple flavours.

Overview/Production

The grapes were harvested in February 2008 in the cool of the night to both preserve freshness and quality, and pressed immediately at our Pokolbin winery. Fermentation commenced in stainless steel tanks and was completed in 300-litre French oak barrels with some lees stirring for added complexity. The wine was matured in French oak barrels for six months before final blending and bottling in January 2009.
