

POOLES ROCK

Semillon

Region	Hunter Valley, NSW	
Vintage	2007	
Colour	Pale straw to lime	
Tech Data	pH	3.1
	TA	6.9 g/L
	Alc	11.6%

Aroma

Classic lemon, lime and dried straw aromas combined with a hint of buttered toast.

Palate

Tightly structured with green pineapple and honeydew melon flavours with a refreshing crisp and mineral finish.

Overview/Production

The fruit was harvested in February 2007 and immediately crushed and pressed before the crystal clear juice was fermented in stainless steel tanks at our winery in Pokolbin. Post fermentation the wine was fined and filtered, before being bottled June 2007. The wine was aged in our cellar for a further 22 months prior to its release as a mature wine in March 2009.
